

ATELIER

PARIS ECONOMICS OF TAXATION WORKSHOP - MEET-UP OF SEPTEMBER 18, 2026

18 September 2026
31 rue Froidevaux Paris 75014

The Paris Economics of Taxation Workshop aims at fostering interactions among economists interested in taxation issues. Presentations can be theoretical or empirical, micro or macro, for academic or policymaking interests. Speakers can be confirmed scholars in academia, doctoral students or economists working in institutions.

It is jointly organized by [Pierre BOYER](#) (CREST, Ecole polytechnique), [Antoine FERÉY](#) (SciencesPo Paris), [Laurence JACQUET](#) (CY Cergy Paris Université, THEMA) and [Etienne LEHMANN](#) (CRED, Université Panthéon-Assas Paris 2). It benefits from financial support from [Labex MME-DII](#).

How to get there: [Accès Google Maps](#) (RER B, Lines 4 and 6 Denfert Rochereau, Lines 4 and 6 Raspail, Line 13 Gaité)

If you wish to contact us, here is our email address: gtecodelafiscalite@gmail.com
